8.	<p>INTERNATIONAL DAY FOR ENDANGATIONAL DAY FOR BIODIVERSITY</p>	May 21-22	<p>Govt. Degree College, Chenani, Dist. Udhampur (J&K) Celebrated</p>

			<p>International Day For Biological Diversity - 22 May 2021</p> <p>Theme: “We’re Part Of The Solution”</p> <p>Dr. U.C. Shrivastava, former Professor Emeritus from University of Allahabad was the resource person on the 2nd day who deliberated at length on the variety of life on Earth at all its levels, from genes to ecosystems, and explained the evolutionary, ecological, and cultural processes that sustain life. While Dr. Shakha Sharma, Asst. Prof. in Zoology at GGM Science College spoke on the day 1 about the significance of butterflies and their conservation issues.</p>
9.	<p>ONLINE PROGRAM BY PSYCHOLOGICAL COUNSELING CELL “ANGER ICEBERG: ANALYZING EMOTIONS BENEATH ANGER</p>	May 27	<p>Govt. Degree College, Chenani under the Aegis of its NSS unit, PRAYATNA, Azadi ka Amrit Mahotsav Cell and Psychological Counseling Cell, organized an online program on “Anger Iceberg: Analyzing Emotions Beneath Anger” on 27th & 28th May 2021.</p> <p>The purpose of program was to find out the root causes of anger among the students of the College and find out the solution of their anger and counsel them. A set of questions was prepared and circulated through Google form link. The experts at the Psychological Counseling Cell identified the students (through their responses) who had acute anger problems and have started measures to counsel them through online mode.</p>
10.	<p>CAREER APTITUDE TEST</p>	May 29	<p>Govt. Degree College, Chenani under the aegis of Manodarpan Initiative of MHRD, Govt. of India, Azadi ka Amrit Mahotsav and Career Counseling Cell organised an online test on Career Aptitude on 29th May 2021 to help the students in narrowing down their job choices and choose a career path that is compatible with their interests, skills, values, and personality. The purpose of this online test was to help students understand how a variety of personal attributes (i.e., data values, preferences, motivations, aptitudes and</p>

			<p>skills) impact their potential success and satisfaction with different career options and work environments. A set of questions was prepared and circulated through Google form link. The experts in the Career Counseling Cell analyzed the responses and found that the Career in the sciences was moderately preferred by the students. Most of the students had no highly preferred occupation. Creativity was not associated with student's academic performance while the rest such as, general scholastic aptitude (science ability, reading comprehension, verbal ability and mathematical ability), technical-vocational ability (clerical skill and visual manipulative skill), non-verbal ability, logical reasoning ability, and entrepreneurial skill (planning and decision making, budgeting, marketing and forecasting) were positively correlated to student's performance. The study indicated that mathematical ability, verbal ability and logical reasoning ability were predictors of student's academic performance.</p>
11.	WORLD NO TOBACCO DAY TO ASSIST WHO LED MOVEMENT TO SUPPORT PEOPLE TO QUIT TOBACCO.	May 31	GDC, Chenani celebrated the world no tobacco day to assist who led movement to support people to quit tobacco.
12.	INTERNATIONAL HEALTH DAY	JUNE 1	To mark the INTERNATIONAL WOMEN'S HEALTH DAY, Govt. Degree College, Chenani under the auspices of its NSS unit PRAYATNA, Azadi ka Amrit Mahotsav organised an online poster making competition on 'SELF-CARE IDEAS FOR YOUNG WOMEN' from 29 th to 31 st May, 2021. The theme of the program was "EMPOWERING WOMEN, EMPOWERING HUMANITY". The purpose of the program was to spread awareness about health and rights of women. In the face of COVID-19

			<p>pandemic, unlocking the potential of women is more important than ever. The economic success of women has had a ripple effect that lead to better nutrition and health, expanded access to safe water, and greater resilience. Unfortunately, Covid-19 has exacerbated the already disproportionate burden of unpaid care and domestic work on women and girls and prevented them from generating income to large extent and ultimately undercutting the economic recovery for entire communities.</p>
13.	MOCK PRE-EMPLOYMENT TEST UNDER THE PLACEMENT CELL	JUNE 2	<p>Govt. Degree College, Chenani under the auspices of its NSS unit, PRAYATNA and its PLACEMENT CELL conducted an ONLINE MOCK PRE-EMPLOYMENT TEST on 31st May 2021, the results of which were declared on 2nd June 2021.</p> <p>The purpose of the program was to enable the students to envision the building blocks for a successful career. A set of questions was prepared and circulated through a Google form link. The analysis of responses provided by students was done and it was found that 70% students preferred government sector jobs while the rest looked for the corporate world. It was noticed that the students of the College possess great skills like social intelligence, basics of IT & certain hard skills.</p>
14.	WORLD FOOD SAFETY DAY	JUNE 7	<p>Govt. Degree College, Chenani under the aegis of AZADI KA AMRIT MOHATSAV CELL and its NSS unit, PRAYATNA organised a webinar to mark the World Food Safety Day under the theme 'Safe Food Now for a Healthy Tomorrow'.</p> <p>The objective behind organization of the program was to enlighten the students that access to sufficient amounts of safe food is key to sustaining life and promoting good health, however, food safety has a critical role in assuring that food stays safe at every stage of the food chain</p>

			<p>from production to harvest and from preparation to consumption.</p> <p>Dr. Maninder Singh, Faculty member, Veterinary Sciences and Animal Husbandry, SHER-E KASHMIR University of Agricultural Sciences and Technology, Jammu [J&K] was the resource person on the occasion.</p>
15.	DEVIKA ECOSTATUS MONITORING PROGRAM (YEAR LONG MEGA-CAMPAIGN ON “SAVE DEVIKA” PROJECT)	JUNE 13	<p>Govt. Degree College, Chenani under the auspices of its NSS unit ‘Prayatna’ and Research Project Awarded by the JKSTIC, Department of Science & Technology, Govt. of J&K initiated the ‘DEVIKA ECOSTATUS MONITORING PROGRAM’ in order to foster volunteerism as part of this proactive approach to protecting the holy river Devika and the surrounding water ecosystems in the tehsil of Udhampur. The river Devika is the cultural and spiritual hub for Hindus like the Ganga river and is popularly known as the elder sister of River Ganga. Therefore, all spiritual tasks that are performed in the Ganga, are also performed at the Devika Ghat resulting in anthropogenic pressure of great magnitude.</p>
16.	PLACEMENT CELL ACTIVITY (BUILD A PROFILE TO GET HIRED)	JUNE 16	<p>Govt. Degree college, Chenani under the Manodarpan Initiative of MHRD, Govt. of India and under the auspices of The Cell for celebration of ‘Azadi Ka Amrit Mahotsav’ organised a “Placement Cell Activity” on 27 April 2021 on the theme “Identifying Successful Entrepreneurs and their Achievements”.</p> <p>The programme was aimed to create awareness and inspiration among the students so that they can learn from studying the lives of successful entrepreneurs in order to become the budding entrepreneurs of tomorrow to shape their future. Since entrepreneurship is now moving beyond the confines of metropolitan cities and finding its way into tier two</p>

			and tier three cities of the country. The students discussed the life sketches of successful entrepreneurs from J&K.
17.	NATIONAL WEBINAR ON ROLE OF INDIAN LEGAL REGIMES FOR EFFECTIVE ENVIRONMENTAL MANAGEMENT IN INDIA.	June 22	<p>Govt. Degree College, Chenani, under the auspices of its NSS unit PRAYATNA and CARRIER COUNSELLING CELL organised a National level webinar on the “ROLE OF INDIAN LEGAL REGIMES FOR EFFECTIVE ENVIRONMENTAL MANAGEMENT IN INDIA” on 22nd June 2021.</p> <p>Prof (Dr.) S. GANAPATHY VENKATASUBRAMANIAN, Professor of Environmental Law and Management, Anna University, Chennai, Tamil Nadu was the resource person of the programme. Prof. S. Ganapathy stated that management of both environmental and natural resources in a country like India has become more urgent in present times. Every industry feels the necessity of sustainable development management. In India government has come forward to exercise control over the issue relating to degradation of environment. He said it is worth mentioning in this respect that the Indian constitution imposes as one of the fundamental duties of every citizen to protect and improve the environment. Further, several laws have been made relating to environment in India like Wildlife Protection Act, the Forest Conservation Act, Public Liability Insurance Act and Biological Diversity Act of 2002. The professor quoted the honourable Supreme Court of India with several landmark judgements from time to time has promoted the sustainable development in India by taking active cognizance of environment related issues.</p>
