FROM THE PRINCIPAL'S DESK

Dear Students,

Welcome to the new academic year! At the onset I take the opportunity to wish you a productive and inspiring year.

In the position of head of the institution, it is my endeavor to strive to create an environment of fair opportunities for the students seeking an educational experience in the courses of their choice. When I started my journey with the College, I made a promise to all the stakeholders of the Institution that no stone would be left unturned to ensure it reaches the highest pinnacle of success. The hard work continues and the dreams only grow bigger.

The horizon of higher education is ever expanding. Today, higher education institutions play a pivotal role in shaping the career of young students by the efficient design and delivery of the curricular programmes, creating state-of-the art infrastructure, offering skill enhancement courses and providing learning resources that prepare students for wide career opportunities.

The College, although new, has ample resources including library, reading room, well equipped science and computer labs, browsing centre, hygienic environment, separate clean washrooms for male and female students, clean drinking water facility, SMART Class rooms and Seminar Hall equipped with latest technology, spacious examination hall, well lit and ventilated comfortable environment, outdoor seating areas etc. The learning environment is empathetic, affable and enabling, whereby the students have the opportunity to get their hidden potentials manifested into mature capabilities.

The College looks forward to the organization of various extra- and co-curricular programs like seminars, guest lectures by eminent academic personalities, quiz competitions, projects, industrial visits, educational excursions etc. to make the real-time learning experience exhilarating.

The College aims to amalgamate the use of technology of the modern world with the local traditions and culture of the area to help explore the best in each of you for the promotion of quality of life in the society, of which we are a part.

I am confident that we will continue to forge ahead and break new patterns while addressing the various concerns of our contemporary society.

With best wishes....

**Dr. Pragya Khanna
Principal**

ABOUT THE COLLEGE

Govt. Degree College, Chenani, a co-educational Govt. Institute that aims to nurture student learning, foster faculty research, creative activity and provide service to the larger community.

The foundation of the College was laid on 8th March 2019 at village Tandhar, Tehsil Chenani, Dist. Udhampur, (J&K). A vast area of 97 kanals and 19 Marlas has been set aside for the construction of the College building with all modern and requisite amenities. The first Academic Session of the College began on 19th July 2019 from a building of the School Education Dept., Govt. of J&K and is presently operating from the same building. The College aims to benefit a population of around 45 surrounding villages of the Tehsil Chenani.

Initially, the College began functioning with 10 subjects (Humanities stream) and strength of 106 students. In 2020, (the second subsequent year after inception), the Science stream (with subject combinations in disciplines of Medical, Non-Medical along with a subject of Computer Applications) was added to the curriculum and the strength of the College rose to 268.

The College promotes social & professional responsibility and growth. To meet these standards, the College challenges the students to think critically and intuitively, to cross disciplinary boundaries, to recognize and value diverse perspectives, and to solve problems creatively and with perseverance. This is clear from our Vision & Mission Statements, Focus & Resolve.
